

Mr. Sudharshan KR

Chief Project Officer

Sudharshan KR is Chief Project Officer, Mahindra Lifespace Developers Ltd. He has over 23 years' experience in construction of residential and commercial projects.

What drives him:- "You can do anything if you have the passion - passion in achieving the best for the organisation, and for yourself! "

Life mantra :- "There are no shortcuts in life to hard work, and no shortcuts to quality in construction! "

Sudharshan has deep experience across all aspects of construction operations, with areas of expertise including P&L management and managing cross function teams. He has led complex projects pan India, and has overseen 33 million sq.ft. of residential development, and 5 million sq.ft. in commercial spaces. Sudharshan has a successful track record of strengthening business performance through strategy roadmaps, innovative solutions, pricing models, and improved operating stability and efficiency
