

Mr. Vikram Goel

Chief Business Officer (Industrial)

Vikram Goel is the Chief Business Officer – Industrial at Mahindra Lifespaces. In this role, Vikram oversees the strategy, planning, development, sales, operations and value creation for the Integrated Cities & Industrial Clusters (IC & IC) business vertical of the Company, spread across India under the brands Mahindra World City and ORIGINS by Mahindra

Vikram brings over 23 years of extensive experience in the real estate industry, having held various leadership roles at HDFC Limited and its subsidiaries. In a span of over 2 decades, Vikram has spearheaded multiple assignments across real estate finance and restructuring assignments in India and the Middle East, leading execution, new business initiatives and re-engineering of existing models.

Vikram holds a Postgraduate Degree in Management from International Management Institute, Delhi. He has been an active member of the various Real Estate Industry bodies like GRI, FICCI, RICS, and CREDAI.

Vikram brings a strategic vision and deep industry relationships to Mahindra Lifespaces. His proven track record in scaling businesses, navigating complex financial landscapes, and driving operational excellence makes him a valuable addition to the company's leadership, strengthening its growth and innovation in the real estate sector.

He is an avid long-distance runner, having completed six full marathons and multiple half marathons. His dedication to running instills in him patience and perseverance, reinforcing his belief that hard work pays off in the long run.

What drives him:- Driven by the energy of people, fostering collaboration, and breaking hierarchical barriers to create an inclusive and dynamic workspace

Life mantra :- Balance is the essence of life! True happiness comes from finding that harmony.
